The 23rd Annual International Graphic Art Competition

„Beautiful like flowers ...is the land...“

Theme: Historical Stories

Think about places, personalities, legends and stories in your surroundings, region, in your country:

- important events and moments in our history or history of other countries
- events that heroes and historic personalities lived out
- stories of historical places of stay

(prehistorical man is making the cave Lascaux beautiful, Francis Drake is setting sail, Chinese empress Cch-si' breeds Pekinese, a merchant in mediaeval Tallin, Primoz Trubar is writing the first book in Slovene language, the coronation of Vladislav Lokietka in Krakow, Shakespeare is thinking of his comedy, Antonin Dvorak is composing his opera, Christopher Columbus is meeting aborigines, Leonardo da Vinci is thinking of flying, what did our centennial oak experience, what does a square in Timisoara remember, with classmates on the school trip to a stately home, what did I go through in an interesting place of stay with my parents, a historical story which I have read, how would have I lived if I had been born in the past)

All the works of art made by drawing and graphic techniques or by their combination will be admitted to the competition. However, we prefer graphic techniques such as monotype, drypoint, lithography, linocut etc. We will exclude only those works of art that will be made exclusively by paint. Delivered competitive works will not be given back. They stay in possessions of organizers.
