## The 26<sup>th</sup> Annual International Graphic Art Competition

**„Beautiful like flowers is the land...”**

**Theme: FAMILY**

Get your inspiration from your family life. You can depict your own idea or draw from any of the following topics:

Think about all members of your family and some interesting events in your family:  
members of my family, their characteristics, our pets and how we take care of them, the nice time we spend altogether, what does my first name or surname mean,...  
important family events, the first tooth of a baby, first steps, beautiful holiday, my first bike,...  
family traditions, how we celebrate birthdays, Christmas and other holidays  
where we like to spend time together, our favourite activities, our adventures, our trips, how we cook dinner together, we walk the dog,  
...  
what have my parents or grandparents taught me  
the story of my grandmother or grandfather, how a historical event affected their life  
my house – my castle, my favourite place in our flat or house, how we built our house,...  
All the works of art made by drawing and graphic techniques or by their combination will be admitted to the competition.

However, we prefer graphic techniques such as monotype, drypoint, lithography, linocut etc. We will exclude only those works of art that will be made exclusively by paint. Delivered competitive works will not be given back. They stay in possessions of organizers.
